VEB 2023 ECoC Volunteer Guidelines

Shine together!

Background and introduction

Under the Veszprém-Balaton 2023 European Capital of Culture programme, a number of events will be organised in which we would like to involve the population so that everyone could feel these are their very own. ECoC belongs to us!

Volunteers are special helpers to us who play an important role in the creation and dissemination of the values that the programmes highlight. It is together with you people living or staying in the Veszprém-Balaton region and ready to act for the area that we can produce extraordinary and lasting experiences.

It is possible to participate in our programmes on the **principle of equal treatment**; a guarantee for this is our application protocol. **Upon application, every volunteer is invited to an interview (in person or online), and then they receive training and a well-defined task.** The contracts with volunteers will be signed between A Veszprémi Kultúráért Közalapítvány (and its privy), a strategic partner of Veszprém-Balaton Jsc. It means A Veszprémi Kultúráért Közalapítvány will handle the data contained in volunteer contracts.

Programmes involving volunteers

In the course of our volunteer programme, for 2020 and 2021 we will be looking for a set number of volunteers for designated events, programmes, and tasks, so that we can build up a network in a systematic and efficient way. You may indicate which programme you would like to join on the registration sheet.

Running up to the ECoC year, in 2022/2023 we will be continuously searching out volunteer helpers for a range of exciting tasks. It is important to note that you'll be doing supporting and backup jobs as a volunteer, working next to paid employees: your work will not substitute the activities of paid employees.

Volunteers' application process ... i.e. how can you join us?

For your involvement in ECoC Veszprém-Balaton 2023 volunteer programmes, **equal opportunities are provided** to residents, students and employees/workers in the Veszprém-Balaton region.

If you are interested in ECoC volunteer programmes, you should go to the registration section of this page. The registration sheet includes personal contact information as well as details about your skills and experience.

If for any reason you cannot fill in the **online registration form**, please contact us: we are ready to help you through the process. In order to get the suitable volunteers to their right places, which will make people feel good and useful in their tasks, we have set up several methods of selection. As a future candidate and part of the integration process, **trainings** will be provided to you. You will gain general knowledge about ECoC, local programmes, opportunities, and the structure of management and coordinating bodies. You will receive information on your rights, duties, and possible special tasks. A further aim of the training is to enable you to perform your duties well and with confidence, proudly representing our ECoC programme.

As regulated by Act LXXXVIII of 2005 on public interest volunteer activities, a **contract** will be signed with our volunteers.

A designated mentor will be put in place to aid volunteers' groups according to task types.

Minimum age

At present volunteers over the age of 16 are being recruited. There will be events to which we're specifically looking forward to help from minors; these will be advertised separately.

Would you like to volunteer under the School Community Service scheme?

In this case please write an e-mail to the following address:

ekfonkentes@veszprembalatonkultura.hu.

Please include your full name, your school's name and to which event or task you would like to volunteer in your e-mail. We will contact you about the next steps.

Volunteer outfit and catering

All our volunteers will receive uniform overclothes to wear on the job. In case any special tool or instrument is necessary to fulfil the task, it will also be provided. Food and refreshments for volunteers will also be catered for if the length or nature of the task demands so.

Our programme covers no additional expenses refunds to volunteers.

Volunteer safety and security

Our volunteer programme is worked out according to the regulations of Act LXXXVIII of 2005 on public interest volunteer activities. Volunteers will also receive work safety and accident prevention training prior to engagement.

During the implementation of our programmes we will at all times adhere to the pandemic regulations currently in force for the safety of volunteers and all visitors of the event.

Personal data security

To finish your registration, please select 'I agree with the Privacy Policy' after reading it.

Contact

If you have any questions or would like to revoke your application for whatever reason, please send a message to: ekfonkentes@veszprembalatonkultura.hu
